#### \* HAMMOCK SLING

Hammock Sling® is designed with a relaxed seat to provide a more comfortable "fit". We are so confident of the superior strength of Hammock Sling® furniture that it carries a full warranty, even in commercial use.

#### \* COMFORT CUSHION SLING

Comfort Sling is the ultimate in comfort and easy maintenance... all at a cost less than regular sling furniture plus a separate cushion. Although certain other fabrics can be used, for faster drying we recommend "Vinyl Coated Polyester Fabrics".

Our unique and Patented construction method eliminates "T" nuts and bolts.
