COLOR NAME

FlexStrap

Pavilion's FlexStrap is engineered for durability and comfort, and designed with a rich woven effect made with reinforced Sunbrella® yarns elevating the overall appearance and performance of interwoven strap seating surfaces for indoor/outdoor furniture.

The two-inch width strap is interwoven by hand and secured over a powder-coated aluminum framework creating a unique seating surface, while providing good stretch and recovery for comfort returning to a taut resistance when not in use.

Made of Sunbrella® performance yarns in a 5mm diameter Birdseye pattern, Yacht Cord is available in complementary colors to FlexStrap, and is one of two creative and clever cap rail accents designed to be in keeping with the Miami-made theme of outdoor living and lifestyles.

Yacht Cord is mold, mildew, stain, UV and weather resistant.
