

# SANDCASTLE PARASOL BASE

Inspired by the fluctuating heights and cylindrical lines of a sandcastle, this fresh collection explores varying horizons and scale. Comprised of a series of tables, barstools and an umbrella base, the pieces are intended to be nested and grouped to create fluid outdoor rooms. Sandcastle embodies its local South Florida roots, bringing modern elegance and a coastal vibe to any outdoor space.

## Parasol Base SD 2600

Diameter	18 in	46 cm
Height	24 in	61 cm
Weight	146 lb	66 kg

## CONSTRUCTION

**Frame:** Constructed from high quality, pure aluminum alloy, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

**Marine Primer:** A proprietary spray epoxy basecoat seals out oxygen and prevents corrosion.

**Removable Counterweights:**  
High-performance, polyester sandbags surround the center post in a clever donut shape, providing balance and stability. These removable counterweights allow for ease of transport and optimal flexibility

## FINISHES

Visit the links below for all available finish options.

### Powder Coat

## SPECIFICATION

Specify powder coat paint color and table top material.

## ACCESSORIES

**Tailored Protective Covers:**  
Recommended for the protection of your investment, our covers are constructed from a high-quality, waterproof fabric that is stain and UV resistant while also inhibiting the growth of mold and mildew. Available in taupe or grey, covers are sized to each product and snugly secure to frames with adjustable Velcro straps.
