

SANDCASTLE BARSTOOLS

Inspired by the fluctuating heights and cylindrical lines of a sandcastle, this fresh collection explores varying horizons and scale. Comprised of a series of tables, barstools and an umbrella base, the pieces are intended to be nested and grouped to create fluid outdoor rooms. Sandcastle embodies its local South Florida roots, bringing modern elegance and a coastal vibe to any outdoor space.

Counter Stool
SD 1515-24

Diameter	17.5 in	70 cm
Height	24 in	61 cm
Weight	9 lb	4 kg

Barstool
SD 1515-30

Diameter	17.5 in	70 cm
Height	30 in	76 cm
Weight	10 lb	4.5 kg

CONSTRUCTION

Frame: Constructed from high quality, pure aluminum alloy, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

Marine Primer: A proprietary spray epoxy basecoat seals out oxygen and prevents corrosion.

Aluminum Seat: Constructed from high quality, pure aluminum alloy, seats are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

Foam Seat: Produced from polyurethane self-skinning foam with a water-resistant outer layer, this soft seat delivers maximum comfort in a highly durable finish.

FINISHES

Visit the links below for all available finish options.

Powder Coat

Foam Seat

SPECIFICATION

Specify powder coat paint color and seat foam color (if applicable).

ACCESSORIES

Tailored Protective Covers:

Recommended for the protection of your investment, our covers are constructed from a high-quality, waterproof fabric that is stain and UV resistant while also inhibiting the growth of mold and mildew. Available in taupe or grey, covers are sized to each product and snugly secure to frames with adjustable Velcro straps.
