MARINA OCCASIONAL TABLES

Inspired by the art deco hotels along Collins Avenue and the coastal resort culture of Miami Beach, Marina offers a contemporized interpretation of a classic tubular aluminum frame with handwoven, webbed seats and backs. Refined with optional cushions and arm caps in colorful yacht cord or a wood-grain finish, the Marina Collection transports you to a simpler time.

CONSTRUCTION

Frame: Constructed from high quality, pure aluminum alloy, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

Marine Primer: A proprietary spray epoxy basecoat seals out oxygen and prevents corrosion.

Corian: Defined by superior durability and low maintenance, Corian is a solid, non-porous surface with outstanding UV performance. This impermeable tabletop prevents the growth of mold and mildew while its integral color promotes high abrasion resistance and easy cleaning.

Tempered Glass: Our tempered glass is four times stronger than traditional glass and can withstand drastic changes in temperature as well as prolonged exposure to direct sunlight.
