## CONSTRUCTION

**Frame:** Constructed from high quality, pure aluminum alloy, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

**Marine Primer:** A proprietary spray epoxy basecoat seals out oxygen and prevents corrosion.

**Standard Slings:** Woven from high quality PVC yarns, our mesh slings are comfortable, resilient, and low maintenance. Providing superior performance in colorfastness, tensile strength, and abrasion resistance, slings also feature a built-in antimicrobial ingredient allowing them to stay cool, dry quickly, and resist mold.

**Comfort Cushion Slings:** Combining the added softness of a cushion with the low maintenance of a mesh sling, our Comfort Cushion sling can be easily removed and replaced by the customer.

## FINISHES

Visit pavilionfurniture.com/finishes or click the links below for all available finish options.

**Powder Coat**

**Sling**

## SPECIFICATION

Specify powder coat paint color and sling fabric.

## ACCESSORIES

**Tailored Protective Covers:**
Recommended for the protection of your investment, our covers are constructed from a high-quality, waterproof fabric that is stain and UV resistant while also inhibiting the growth of mold and mildew. Available in taupe or grey, covers are sized to each product and snugly secure to frames with adjustable Velcro straps.
