Weight	92-129 lb	42-59 kg

PTB2 5280-42

Diameter	42 in	109 cm
Height	42 in	107 cm
Weight	99-147 lb	45-67 kg

CONSTRUCTION

Frame: Constructed from high quality, pure aluminum alloy, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

Marine Primer: A proprietary spray epoxy basecoat seals out oxygen and prevents corrosion.

Ecowood: Produced from a high-density polymer using recycled materials and sustainable manufacturing methods, Ecowood provides warmth and texture through its wood grain aesthetic. Engineered for diverse weather conditions, Ecowood will not corrode, splinter, or rot, and requires no sealing or painting.

Corian: Defined by superior durability and low maintenance, Corian is a solid, non-porous surface with outstanding UV performance. This impermeable tabletop prevents the growth of mold and mildew while its integral color promotes high abrasion resistance and easy cleaning.

Pietra: Marrying the look of Italian marble with the endurance of dense, engineered stone, Pietra boasts exceptional UV and scratch resistance, low porosity, and superior colorfastness.

Aluminum: Constructed from high quality, pure aluminum alloy, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

Smooth Fiberglass: Formulated from glass-based resin, our fiberglass is non-porous, stain resistant and highly resilient to extreme temperatures. Available in a smooth white finish.

Powder Coat

Table Tops

SPECIFICATION

Specify powder coat paint color and table top material.

ACCESSORIES

Tailored Protective Covers:

Recommended for the protection of your investment, our covers are constructed from a high-quality, waterproof fabric that is stain and UV resistant while also inhibiting the growth of mold and mildew. Available in taupe or grey, covers are sized to each product and snugly secure to frames with adjustable Velcro straps.
