CONSTRUCTION

Frame: Constructed from high quality structural steel, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

Marine Primer: A proprietary spray epoxy basecoat seals out oxygen and prevents corrosion.

Contract-Grade Removable Cushions:

Comprised of long-wearing, high resilience foam, cushions are plush, supportive, and breathable with enhanced protection from a water and bacteria-resistant fabric liner. Cushions feature specially designed clips that attach to frames, keeping them snugly in place and properly molded. The price list includes a graded-in selection of contract quality, high-performance outdoor fabrics. For customer's own material (COM), please contact customer service for detail.
