KENDALL ROUND DINING TABLES

As fitting for a rooftop bar and lounge as it is for a backyard oasis, the Kendall Collection radiates contemporary style. The slim frame and deep cushions—available with quilted detail—are an invitation to sit back, relax and unwind. Freestanding and modular pieces act as small-scale architecture that helps define space.

CONSTRUCTION

Frame: Constructed from high quality, pure aluminum alloy, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

Marine Primer: A proprietary spray epoxy basecoat seals out oxygen and prevents corrosion.

Corian: Defined by superior durability and low maintenance, Corian is a solid, non-porous surface with outstanding UV performance. This impermeable tabletop prevents the growth of mold and mildew while its integral color promotes high abrasion resistance and easy cleaning.

Pietra: Marrying the look of Italian marble with the endurance of dense, engineered stone, Pietra boasts exceptional UV and scratch resistance, low porosity, and superior colorfastness.

Tempered Glass: Our tempered glass is four times stronger than traditional glass and can withstand drastic changes in temperature as well as prolonged exposure to direct sunlight.

Umbrella Tables: Tables include a 1.5" umbrella hole with an aluminum grommet and cap powder coated to match the table frame.
