

Designed by Juan Quintana

KENDALL CHAISE LOUNGE

As fitting for a rooftop bar and lounge as it is for a backyard oasis, the Kendall Collection radiates contemporary style. The slim frame and deep cushions—available with quilted detail—are an invitation to sit back, relax and unwind. Freestanding and modular pieces act as small-scale architecture that helps define space.

CONSTRUCTION

Frame: Constructed from high quality, pure aluminum alloy, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

Marine Primer: A proprietary spray epoxy basecoat seals out oxygen and prevents corrosion.

Contract-Grade Removable Cushions:

Comprised of long-wearing, high resilience foam, cushions are plush, supportive, and breathable with enhanced protection from a water and bacteria-resistant fabric liner. Cushions are fastened to frames with marine grade snaps, keeping them neatly in place. The price list includes a graded-in selection of contract quality, high-performance outdoor fabrics. For customer's own material (COM), please contact customer service for details.

Powder Coat

Fabric

SPECIFICATION

Specify powder coat paint color and cushion fabric.

ACCESSORIES

Tailored Protective Covers:

Recommended for the protection of your investment, our covers are constructed from a high-quality, waterproof fabric that is stain and UV resistant while also inhibiting the growth of mold and mildew. Available in taupe or grey, covers are sized to each product and snugly secure to frames with adjustable Velcro straps.
