

PINECREST DINING TABLES

The taught curves and restrained lines of the Pinecrest Collection bring balance and simplicity to hospitality exteriors. A wide range of dining and lounge pieces instill cohesiveness from the restaurant to the pool, while the broad range of chaise lounges, inclusive of single, double and arched models, create unique waterfront experiences bound to make a lasting impression.

NV 2000-50UE w/ umbrella hole

Diameter	50 in	127 cm
Inside Depth	39 in	99 cm
Height	29 in	46 cm
Inside Height	27.5 in	70 cm
Weight	59 lb	27 kg

CONSTRUCTION

Frame: Constructed from high quality, pure aluminum alloy, frames are coated in our Marine Primer and finished in an architectural-grade powder coat, creating a rich, dimensional color.

Marine Primer: A proprietary spray epoxy basecoat seals out oxygen and prevents corrosion.

Corian: Defined by superior durability and low maintenance, Corian is a solid, non-porous surface with outstanding UV performance. This impermeable tabletop prevents the growth of mold and mildew while its integral color promotes high abrasion resistance and easy cleaning.

Pietra: Marrying the look of Italian marble with the endurance of dense, engineered stone, Pietra boasts exceptional UV and scratch resistance, low porosity, and superior colorfastness.

Aluminum: Sourced from high quality, pure aluminum alloy, aluminum tops are protected by our Marine Primer and finished with an architectural-grade powder coat. Available in solid and perforated patterns.

Tempered Glass: Our tempered glass is four times stronger than traditional glass and can withstand drastic changes in temperature as well as prolonged exposure to direct sunlight.

Ecowood: Produced from a high-density polymer using recycled materials and sustainable manufacturing methods, Ecwood provides warmth and texture through its wood grain aesthetic. Engineered for diverse weather conditions, Ecwood will not corrode, splinter, or rot, and requires no sealing or painting.

Umbrella Tables: Tables include a 1.5" umbrella hole with an aluminum grommet.

FINISHES
